*At Sima Care, we specialise in designing and installing mobility-friendly bathrooms to help individuals maintain their independence and safety at home.*

*As a family-run business with 20+ years of experience, we take pride in delivering high-quality, personalised bathroom solutions that improve everyday life.*

# Tailored Solutions For Your Every Need

We offer a range of accessible bathroom adaptations, including:

- Walk-in showers & wet rooms with step-free access and anti-slip flooring.
- Walk-in baths – Low-threshold entry for easy and comfortable bathing.
- Complete bathroom makeovers Full renovations with grab bars, raised toilets, and easy-use fixtures.

*We provide guidance, samples to browse in your home, immediate quotations on survey visit and a seamless installation process from start to finish.*

## TESTIMONIAL

*We were concerned about the cost of everything that we would need in our bathroom, but Mark was very clear about costs and worked within our budget, often making suggestions for better materials and ways of cutting the costs for us. We would not hesitate to recommend Mark.*

# Why Choose Sima Care?

*From personalised mobility bathroom designs to seamless installations, Sima Care manages every facet of your project, ensuring you have a clear understanding of your installation cost.*

*We offer personalised skilled workmanship to create a bathroom that works for you, from the electrics, flooring, and full installation of your new bathroom; we can even fit your towel rail, grab rails, lights, mirrors and loo roll holders too! Nothing is too much trouble.*

*We understand that what matters to one customer won't necessarily matter to another so we want to make sure we do it your way and include the features that are important to you. We're here to support you through the whole process plus we offer a full 2 year installation warranty for your peace of mind*

# Built to Last, Designed for Safety

*At Sima Care, we understand that the needs of our customers are evolving. That's why we specialise in designing and installing accessible bathrooms and wet rooms, with a particular focus on helping senior adults maintain their independence and remain in their family homes for as long as possible.*

*We believe that everyone should have access to essential parts of their home. Therefore, our bespoke solutions for mobility bathroom installations are designed to do just that.*

## TESTIMONIAL

*Mark recently fitted 3 bathrooms for me, he went above and beyond, excellent service; friendly, honest, reliable and very reasonable as well! Really pleased with his craftsmanship and excellent attention to detail. Thank you Mark, great job. I have no hesitation in recommending you.*
